Dear Holidaymaker

Welcome to your 1992 Haven Holidays Brochure, with its bigger than ever choice of luxury caravan and chalet holidays all over Britain.

If this is your first year with Haven, you're in for a real treat. Haven means lots of fun for all the family on the widest range of Parks you'll find in any brochure.

A warm welcome too, to Warner holidaymakers. Now the Warner self-catering Parks are under the Haven banner, you can be sure of the same top value but with all the extra backing of the Haven reputation.

And a really big "welcome back" to our regulars. It's a matter of great pride for all of us that so many thousands of people come back to Haven year after year.

The secret of our success is not hard to find. Quite simply, we believe in giving you the very best - that means the best service, facilities, accommodation and entertainment. There's something for every member of the family, whether you're four or ninety-four. The children, for example, have all the fun of their very own Tiger Club with its games, competitions and all-round excitement.

Just as important, you always know where you are with Haven prices. Everything's included - colour TV, bed linen, gas and electricity, great entertainment, fun pools and playgrounds, slides, sports, the lot! And the prices all include VAT.

It all adds up to the best value-for-money plus real family freedom and holiday fun.

That's why Haven is your Number One choice for 1992. We look forward to welcoming you!

Yours Sincerely

John Murphy

John Murphy, Managing Director

UNBEATABLE CHOICE

With the UK's No 1 your choice is enormous. For example, the ideal, for some, is the exclusive owner-only site at Solent Breezes - a good sailing base with its own moorings on the Hampshire coast. For others an action-packed, non-stop holiday centre like Primrose Valley on the Yorkshire Coast, spells perfect bliss. And for those whose idea of heaven is a relaxing hideaway in the Garden of England - Alberta in Kent is the answer.

For family fun and enjoyment a Haven Family Park, such as Ty Mawr or Brynowen in Wales is hard to beat.

With so many Haven locations to choose from you're sure to find one that's just you, where you'll enjoy wonderful holidays for years to come.
